*2 -5 inning games			** 1 - 7 inning game	*** 1 six inning game			
	This Schedule may change - We will update it online after each change.						
Coaches: Paul Hess & Jerome Feigum							
First game begins at posted start time (Sharp)							
Each night two five-inning games with a 1 hour 15 minute time limit on each game are played. The 10-run rule will apply after 4 innings (15-run after 3 innings).							
Games may last only 3 innings or could go 6+innings if the game is tied after 5 innings and the time limit has not been reached. No new innings start after the time							
limit has been reached, they can end in a tie.							
The purpose of these games is to develop upcoming players. The pitcher who starts game 1 may not pitch in game 2. Work on developing pitchers.							
Coaches must split up their players so each player gets to play in at least one full game.
