**Trial Member Agrees:** To abide by all the membership rules of the facility. Because physical exercise can be strenuous and subject to risk of serious injury, the school district urges you to obtain a physical examination from a doctor before using any exercise equipment or participating in any exercise activity. You (each member, guest, or participant) agree that if you engage in any physical exercise or activity, or use any fitness center amenity on the premises or off premises at a school district sponsored event, you do so entirely at your own risk. This includes, without limitation, your use of the locker room, parking area, sidewalk area, or any equipment in the fitness facility and your participation in any activity, class, program, or instruction. You agree that you are voluntarily participating in these activities and use of these facilities and premises and assume all risks of injury, illness, damage or loss of by theft of any personal property. You expressly agree to release and discharge the school district, and all affiliates, employees, agents, representatives, successors, or assigns, from any and all claims or causes of action. This waiver and release of liability includes, without limitation, all injuries to you which may occur, regardless of negligence, as a result of (a.) your use of any exercise equipment, (b.) the sudden and unforeseen malfunctioning of any equipment, (c) our instruction or supervision, and (d.) your slipping and/or falling while in the fitness center, or on the school district premises, including adjacent sidewalks and parking areas.
